Gentlemen:-

We are arranging our first annual trip of the United States. We are the only Colored United States Soldier Baseball Team in the country. We have played over thirty games and have lost but one game. Amongst the teams are The Atlanta Black Crackers, Ashville Tourist, Alabama Tigers, all the White Soldier Teams in Georgia, Jacksonville Red Caps and West Palm Beach Yankees amongst others.

We would like to play you there on September 11th, 12th and 13th. We will play for forty percent of the gate and city expense.

Write at once.

Very sincerely yours,

Madison C. Schepps
